

MS4 ASK THE EXPERT SESSIONS

Are you lost in space?

Land your spacecraft, or just teleport over to the ATX sessions.

MS4 Support Androids (Analysts) will host one-on-one meetings with clients to address subjects of interest to their facility. Attendees should bring appropriate documentation, such as reports and screen prints, to sit down with an application specialist and work on problems and questions.

Monday April 23, 2007

Case Mix/Reimbursement

1:00 pm – 2:30 pm
